Island of Stone Money

46th Yap Day Annual Celebration

2014

Yap Day

46th

Annual Celebration

Governor's Message

Mogethin and Welcome:

On behalf of the Yap State Leadership, the 2014 Yap Day Committee, and all the people of Yap, I am delighted to welcome all the visiting dignitaries and guests to our emerald island this year for coming to join the people of Yap in celebrating the 46th Yap Day Annual Celebration! I hope that your trip to Yap was uneventful, pleasant and comfortable.

I would like to express my deepest appreciation to all the friends of Yap from abroad, the on-island and off-island businesses, the government and its agencies, and the local individuals who have donated time and contributed resources to the success of this year's program. I would also like to thank the people of Tomil Municipality for hosting this year's celebration reminding us once again that "lending a helping hand" is essential to our way of life.

This year, like in past years, during the Yap Day celebration the Yapese people shall display glimpses of our culture that is still very much alive and also that which only remained in memory, and generally have fun in ways that are meaningful in the preservation of our traditional knowledge, trades, and skills. The Yapese people have come to realize that as the world becomes globalized and highly industrialized, we need to maintain our practical and sustainable cultural and traditional island practices that provide us solutions to thrive in a developing traditional island society.

I urge all guests and visitors to find time outside our Yap Day celebration program to take a land or water tour of our island and hope that you find the experience both pleasant and revealing. Yap indeed offers some of the great dives in the region as well as unique village stone paths, *P'ebay* and *Faluw* and, of course, our famous stone money banks. Finally, I hope that when you leave us at the end of this year's celebration, you will find another opportunity to visit us again in the future.

Kammagar and Thank You.

Sebastian L. Anefal
Governor, State of Yap

FEBRUARY 28, 2014
