Founded in 1986, PATA Micronesia is a chapter member of the Pacific Asia Travel Association (a not-for-profit membership-based association that acts as a catalyst for the responsible development of travel and tourism to, from and within the Asia Pacific region).

Our reach spreads over two thousand islands throughout the Western Pacific Ocean.

Our membership consists of both public and private sector members from the Republic of the Marshall Islands, the Federated States of Micronesia (Kosrae, Pohnpei, Chuuk & Yap), the Commonwealth of the Northern Mariana Islands (Saipan, Tinian, Rota & the Northern Islands), the U.S. Territory of Guam and the Republic of Palau.

Our focus is to assist in the development of the region's tourism industry to include sensitivity for environmental issues, respect for Micronesian cultures, adherence to high operational standards, and opportunities for education, training and gainful employment.
