The Guam Visitors Bureau (GVB) has partnered with award-winning creative agency Beautiful Destinations (BD) to launch a global campaign about Guam through its popular social media channels.

Beautiful Destinations is behind one of the world’s largest travel communities on social media, spanning 20 million people across 180 countries. They create and distribute “social-first” content for a mobile audience and were voted by FAST COMPANY as one of the world’s most innovative companies in 2017.
