The background of the entire image is a vibrant turquoise color. It is decorated with several tropical elements: two whole brown coconuts with their husks intact, one in the top left and one in the bottom right; two halves of coconuts showing the white flesh, one in the top left and one in the bottom right; and several large, dark green monstera leaves with characteristic splits, scattered across the top and bottom edges. A semi-transparent dark teal rectangular box covers the central portion of the image, serving as a backdrop for the text.
