

Palau Visitors Authority appoints new Managing Director

The Palau Visitors Authority's Board of Directors is sharing to the community the appointment of Mr. Kadoi Ruluked as PVA's Managing Director, effective June 26, 2020. Mr. Ruluked began his tenure with PVA in 2005 as a Marketing representative. From then, he continued on to becoming Marketing Manager in 2010 and then in December 2016, assumed the position of Operations and Programs Director.

The Covid Crisis has turned the tourism industry into disarray. Mr. Ruluked's work ethic, years of experience, dedication and eagerness to learn are a few of his attributes that make him perfect for the job at this time.

We ask the public, especially the tourism industry to continue to support PVA and Mr. Ruluked as we chart our course through these difficult times.

Mr. Ruluked can be reached at kadoi@pristineparadisepalau.com or (680) 488-1930 or 2793.
